City & Guilds SmartScreen

City & Guilds SmartScreen is our dedicated online resource portal, supporting over 120 qualifications. It currently offers more than 80,000 resources and pages of content for tutors and learners.

How can SmartScreen help me?

SmartScreen materials have been designed specifically for each individual qualification, apprenticeship or CPD course. They have been developed to assist tutors, and others, delivering these courses to obtain the best possible results for their learners.

About this manual

Price: Email digital.solutions@cityandguilds.com for details. Product code: SS9322-12.

This manual contains a range of practical tasks which allow apprentices to apply their knowledge and skills.

The tasks are mapped to the Level 3 Vehicle Damage Panel Technician apprenticeship standard and have been devised to prepare learners for the requirements of their end-point assessment.

Each task contains the following features:

- **the aim** of the practical activity that enables learners to practise a particular skill.
- **the process** of the task to advise learners on how they should best carry it out.
- **a task report** section for learners to detail how they completed the task.
- **knowledge questions** to help learners embed the knowledge required to carry out their task successfully.
- **reflective questions** to give learners the opportunity on what went well during the task and areas for improvement.
- **a mentor/trainer feedback** section at the end of each task and for employers and trainers to provide comments and advisories.

The tasks should cover all the knowledge, skills, and behaviours required for the apprenticeship.
