Level 2 Carpentry and Joinery e-learning

City & Guilds SmartScreen

City & Guilds SmartScreen is our dedicated online resource portal, supporting over 120 qualifications. It currently boasts more than 80,000 resources and pages of content for tutors and learners.

How can SmartScreen help me?

SmartScreen materials have been designed specifically for each individual qualification. They have been developed to assist tutors, and others, delivering the qualification to obtain the best possible results for their learners.

City & Guilds are delighted to announce that we are working with MidKent College to offer e-learning for Carpentry and Joinery via our SmartScreen platform. This interactive, learner-facing content is mapped to City & Guilds qualifications (Diplomas and Technicals) and complements the existing SmartScreen tutor packages.

Resources

- 24 e-learning modules to support Level 2 Carpentry and Joinery qualifications, covering: types of timber and board, timber conversion, seasoning and defects, types of joints, flooring and flat roof components, frame and lining types, stud partitions, straight flights of stairs, types of door, door ironmongery, moulding, kitchen units and worktops, setting and marking out, hand and power tools, circular saws, band saws, planers, morticers, profiling machines, access equipment.
- Each module features graphics, animations and video to help bring the knowledge elements of the qualification to life, and a knowledge-check quiz to test learning.
- The modules support blended learning and can be used as a directed study activity, as the basis for group work, as a teaching aid, or for revision and catch-up exercises.
- A mapping document is provided for tutors, to clearly map each e-learning module to City & Guilds qualification units.
