Product details: SS0129-6100-02

Supported Units: 301,302,303,304,305,306,307,308,309,310,311,312,313.

City & Guilds have developed an enhanced SmartScreen package to support Professional Cookery for the existing level2 qualifications 7100 and 7132 and the level 3 qualification 6100 (which will be live from September 2016). Our video-led solution demonstrates as well as informs with over 25 hours of captivating e-learning content. This provides the learner with information they require to succeed, whilst giving detailed feedback which offers an interactive experience in a highly impactful, visually-led format.

- Coverage of learning outcomes related to the 6100 qualification.
- Delivery of the theory through interactive and engaging material.
- Saves time and resource with materials mapped to the City & Guilds units.
- Automatic learner progress tracking and monitoring can be used as a tool for helping any learners who have missed sessions, to catch up.
- Tracking to enable focus on specific areas of weakness that groups of learners may have.
- A complete set of traditional SmartScreen resources will be added in July 2016 (schemes of learning, PowerPoint presentations, worksheets, handouts and practice questions).
- A practical experience that 'shows' as well as 'tells' what needs to be known.
- The ability to see progress and scores in the e-learning, therefore knowing what still has to be completed, and where needs to be improved.
- Valuable feedback on answers to questions, with prompts and hints being offered.
- Formative practice questions for each unit.
- Direct access anytime, anywhere on phones, tablets or PCs.
- A comprehensive scheme of work and sample lesson plan for each unit covering all learning outcomes and providing numerous ideas for learner-centred activities to be completed in class and independently.
- PowerPoint presentations, worksheets and handouts to support and develop practical skills.
- Additional reference sheets to stretch and further enhance knowledge preparing learners for the next level of study.
- Functional skills, Maths and English contextualised within the kitchen environment.
