City & Guilds are delighted to announce that we are working with Mid-Kent College to offer learner-facing Enhanced SmartScreen for the Carpentry and Joinery apprenticeships via the platform. This interactive content has been developed for and mapped to the apprenticeship standard and includes downloadable support resources.

Resources

- 41 e-learning modules to support the Level 2 and 3 Site Carpentry and Architectural Joinery apprenticeships; covering health and safety, principles of construction, fundamentals of carpentry, hand and power tools, first and second fixing work, structural carcassing, fixed machinery and shaped woodworking joints.

- Each module features graphics, animations and video to help bring the knowledge elements of the apprenticeship to life, and a knowledge check quiz to test learning.

- The modules support blended learning and can be used as a directed study activity, as a basis for group work, as a teaching aid, or for revision and catch-up exercises.

- Surrounding PowerPoints, handouts and worksheets provide further support for teaching and learning.

Why choose SmartScreen?
