

**T Level Technical Qualification in
Maintenance, Installation and
Repair for Engineering and
Manufacturing**

**Employer-Set Project
(8730-033)**

**Task 3
Summer 2024**

Task 3 – Plan

You have been asked to create a planning chart for the replacement of the handrail and planned maintenance.

Part A

Create a planning chart including the following considerations:

- purchasing of the equipment and components
- the order of installation and setting up of components
- the main equipment and tools required for the installation
- commissioning/testing and calibrations on site
- duration and sequence of the project including a critical path analysis.

Planning charts can be presented in an industry recognised format of your choice. You may choose to complete your planning chart using digital software, but you do not have to do so.

Part B

Alongside your planning chart, you need to provide a supporting statement to justify your plan taking into consideration:

- job roles and responsibilities
- health and safety considerations, including relevant regulations
- tools, equipment and resources
- cost considerations and implications
- environmental factors.

The supporting statement will typically be 1000 words.

Timing of assessment

- You will have **three hours** to complete your planning chart and supporting statement.

Conditions of assessment

- Your planning chart and supporting statement must be completed working alone under supervised conditions.
- You must not share or discuss your work with other candidates.
- You will have access to software that may be required to create the planning chart (e.g. word processing software, spreadsheets etc.).
- You will have access to copies of your responses to the previous tasks (for review purposes only).
- You will **not** have access to the Internet for the completion of this task.
- Assessment evidence must be handed in at the end of each session for secure storage which cannot be accessed.

What you must submit on completion of this task

- **Part A: Planning chart** (typically one side of A4).
- **Part B: Supporting statement** (typically 1000 words) – copy of file saved securely (e.g. in a secure online location or on memory stick to be handed in).

Additional evidence of your performance that will be captured for marking

- N/A

Marks available

- 18
